CARING FOR LAND AND WATER

IMPROVING OUTREACH TO PRIVATE LANDOWNERS IN THE KOOTENAYS: 1 DAY WORKSHOP

Working together to help private landowners better manage their lands.

One of the important roles KCP plays in our region is to strengthen collaboration among stewardship groups and resource managers to achieve positive benefits for private land conservation.

This free workshop will be offered in both the East and West Kootenays, and is open to organizations interested in exploring better ways to collaborate, coordinate and address gaps.
